## Meet Our Speakers

### Weeks 1 & 2 - Ben Christensen

We are looking forward to all Ben Christensen will bring to share with us this summer! Pastor Ben started practicing his talent at four years old. He has been able to share at camps in 10 different states.

He currently serves as the children's pastor at Connection Church just outside Detroit, Michigan. When not at the church, Ben has been able to perform on cruise ships, in circuses and on TV!

### Week 3 - Chagy the Clown

Forget everything you think you know about clowns. Chagy is different. His circus style clown training and his theological education have allowed him the ability to minister everywhere from the smallest of churches to the largest of stadiums.

Chagy the Clown is the most sought-after ministry clown in the country... but he is more than just a clown. Expect a spiritually impactful, memorable week with world class juggler, magician, mime, clown, humorous entertainer, and creative evangelist whose focus is to draw his audience closer to Christ.

## Free Promotional Materials

Promote camp to the kids at your church with high quality promotional materials such as a camp poster and postcard. Digital downloads are available for the logo and other promo items.

Camp registration packets will include a sample copy of each of the documents. The promo video is available for viewing at [PotomacKids.com](http://PotomacKids.com).

All items are available by email request to: [dharter@potomacag.org](mailto:dharter@potomacag.org).

A reminder postcard will be mailed in the spring from our office to every child who attended Kids Camp last year.
